PRESS RELEASE

COMELF SA has fully acquired the share capital of MOTTRA SRL Bistrița, a company registered with the Trade Register of Bistrița-Năsăud under number J2005000523067, tax code: RO 17649224, with the object of activity: "Winding of electric motors and tools, industrial electric motors, construction of electrical installations, repair of electrical equipment, repair - household items". The company is ISO 9001/2008 certified.

The total value of the transaction is 220,000 lei, of which the share capital is 200 lei, divided into 20 shares. The difference in value is offset by fixed, current and intangible assets.

The reason for the acquisition: the continuity of the provision of winding services locally.

The company Mottra SRL has a 20-year tradition in this field, has qualified and experienced staff and a rich customer portfolio. The company's activity covers the need for winding services for electric motors, used in all fields of activity of businesses in Bistrița-Năsăud County.

In this way we ensure quick access for local companies and implicitly for COMELF SA, to winding services, which allows the restoration of the affected activity in optimal times for operational processes.
